PROFILE

Sports photographer with three seasons of independent NCAA Division III coverage, specializing in low-light collegiate ice hockey — men's and women's programs at SUNY Potsdam, plus soccer and lacrosse. Professional Canon mirrorless kit, disciplined weekly Lightroom workflow, and same-day tethered or wireless delivery when deadlines require it. Seeking a full-time staff photography role in collegiate athletics or university communications.

PHOTOGRAPHY EXPERIENCE

Sports Photographer

Will Morris Photography — Canton, NY | 2023 – Present

- Photograph NCAA Division III men's and women's ice hockey, soccer, and lacrosse across full competitive seasons, independently arranging access and maintaining a continuously updated public portfolio.
- Specialize in high-ISO indoor arena work: mixed and inconsistent rink lighting, rapid puck and player movement, and shooting through glass and netting.
- Handle the full pipeline solo: capture, cull, edit, color-correct, caption, and publish on a one-week turnaround.
- Same-day delivery via tethered capture or in-camera wireless transfer for time-sensitive use.
- Cover peak action, bench and sideline reaction, celebration, and team and individual portraits.

TECHNICAL SKILLS

Camera Canon EOS R6 Mark II • 70-200mm f/2.8 • 85mm f/1.8

Software Adobe Lightroom Classic (weekly) • Aftershoot AI culling • quick to adopt Photo Mechanic or comparable tools

Delivery Tethered capture • in-camera wireless transfer • online gallery distribution • captioning and file naming

Sports Ice hockey (men's & women's) • soccer • lacrosse • basketball • baseball & softball • wrestling • cross country • cheer

Conditions Low-light indoor arena • outdoor field • night and all-weather shooting

ADDITIONAL EXPERIENCE

Shift Manager

Burger King — Canton, NY | 2025 – Present

- Supervise, train, and assign tasks to shift teams while supporting the General Manager on daily operations.
- Resolve customer issues in real time and maintain service, quality, and safety standards under high-volume pressure.

Delivery & Order Fulfillment Associate

Spark Driver — Potsdam, NY | 2024 – Present

- Manage multiple concurrent orders against strict time targets, working independently with minimal supervision.

Merchandise / Vendor Representative

Flowers Foods — Ogdensburg, NY | 2023 – 2024

- Managed inventory and product placement across multiple retail accounts.

Production & Assembly Technician

Ducted Wind Turbine — Potsdam, NY | 2024 – 2025

- Assembled technical components to detailed procedures and quality standards on production timelines.

AVAILABILITY

Valid driver's license and reliable personal vehicle, comfortable with regional travel to away contests. Fully available evenings, weekends, and holidays across the competitive season. Open to relocation throughout New England and the Northeast.
